Dedication

James Connors

(In a departure from established tradition, the editors of the 1975 Blue and White wish to dedicate this year's book to the memory of our departed classmate James Connors.)

"The Medford High School community suffered a great loss in the death of Jimmy Connors. Anyone who knew Jimmy knows exactly what we have lost.

Jimmy was blessed with a tremendous gift, a talent which he worked to perfection: he could make people laugh. He used the gift of humor to make friends, keep them, and make them happy. He gave of himself, shared his love for them, and all he ever asked in return was a smile. He always had a smile for everyone and a 'line' for everything. Because of his good-humored nature, he could feel very comfortable in what some would term as embarrassing situations. He could do this, though, because the people around him liked him too much to make him feel embarrassed.

Because of his good nature, his outlook on life was one of exuberant optimism. He was justified in his optimism, though. He had a great personality, above average intelligence, good athletic ability, and many, many friends to help him. With these attributes he contributed meaningfully to such organizations as the soccer and lacrosse teams as well as to the yearbook staff. On the playing field, he was a true team player. He was a hustler, a gutsy, determined, hard-playing kid, but he always played clean and by the rules. He is what winning teams are made of.

This is how most people knew Jim, but a few of us were lucky enough to call him 'best friend.' He was someone to whom you could tell things that you would tell no one else. When you felt down or something was bothering you, he would notice it no matter how you tried to hide it. He would talk with you about it, and he didn't always have the answers to your problems; but simply by his listening, they seemed to be lessened greatly. He would never tire of listening to you, the sign of a true friend.

On the day Jimmy died, the world stood still for many of us. Actually, it never did, but a small though very important part of the world was gone. For some of us that is a huge void in our lives. Jimmy's physical presence on earth will never be felt again: we can't see him, laugh with him, talk with him, run with him, play with him, or walk in thoughtful silence with him. He will not be with us physically, but he will still be with us. A little bit of his spirit is stored inside each of us, waiting to get out. It is up to us, Jimmy's friends, to carry on the work Jimmy was doing: the sharing of love, of ourselves. Jimmy did it by making people happy. How will we do it?"

The Class of 1975 has indeed been an extraordinarily close and highly spirited class. As editors of this year's Blue and White, we have worked diligently to try to bring this closeness and spirit into your yearbook.

We want to thank all those who have cooperated with us in the production of the book and all students at every level and thank you to Mr. James Swinney, who guided us through many long hours of hard work with great patience and inspiration.

We truly hope that we have produced a unique, exciting, and memorable yearbook for you, the Class of '75.

Primarily the Student Council is the "voice" of the student body and acts as a liaison between the students and the administration. It is specifically concerned with school policy and problems. The Student Council tries to promote student awareness and involvement in all matters concerning the students.

The Council attempts to provide students with their deserved academic freedom while trying at the same time to impress upon them the importance of consideration for others, when exercising these rights. Ultimately the aim of the Student Council has been to create a better place for people to go to school and to be proud of having graduated from Medford High School.

Class Advisors

John A. Spinale

Margaret A. Walsh (Mrs.)

Our class advisors have guided us through our four years at Medford High School with a dedication and generosity which have been deeply appreciated. Their direction has helped fuse within us a cohesiveness which has been evident in all of our many varied activities. We wish sincerely to thank our advisors for their energetic guidance and patience and for helping to make our four years most enjoyable and memorable.

Richard Daley
(Vocational)

With Our Appreciation To:

Five years ago, Mr. Thomas Convery introduced "Sounding Board" to M.H.S., and the program has enjoyed continuing success. It has featured such speakers as former Speaker of the House John McCormack, Senator Edward Kennedy, and Governor Michael Dukakis. Its programs have been quite diverse, ranging from "A Rap Session with the School Committee" to rock music festivals. The programs have been both enjoyable and educational. We therefore wish to thank Mr. Convery for his interest in the education and welfare of the M.H.S. student body.

The people who have guided us through our most adverse high school moments have been our submasters, Mr. Daniel Donovan and Miss Elizabeth DePasquale. They have helped us persevere through our bad times and to enjoy the good. They have aided many of us to stay on the right track while at the same time following our class activities with great interest and concern. For all of these services, we shall always be indebted to them.

Mr. Roy Belson of the History Department has been most instrumental in the expansion of the Max-Ed program here at M.H.S., a program geared to help and encourage the students in the pursuit of information and interests that will be most pertinent and helpful to them in the general areas of realistic, sound occupational awareness and opportunity. For his efforts, we are truly most appreciative.

A one-point victory over Peabody and subsequent crippling injuries to key players were indicative of a season in which the Medford team had their G.B.L. activities with three wins. Consistent performances by Tri-Captain Fred Marotta and Steve supporting roles by Danny Kregar and Mike Fitzpatrick were prominent in the team's efforts. Four wins in four tries against non-league opponents after the regular season gave Coach Steve Mascoli and the squad an inspiring outlook toward next season.

Girls' Varsity Field Hockey

In its first year of formal competition, the M.H.S. Field Hockey team, playing with enthusiasm and determination, managed only three wins, but proved very competitive participants against even the more experienced clubs on its schedule. The team was led by the outstanding scoring efforts of Co-Capt. Regina Bordieri along with the inspired play of both Co-Capt. Nancy Wilson and Liz Garvey. Coached by Miss Valasunas, the team performed in a very representative manner; the experience gained by a large number of returning team members will undoubtedly manifest itself next season.

1 win — 1 loss

Hail to the 1975 Mustang booters, champions of the G.B.L. The Mustangs both began and ended their seasonal efforts with ironical one goal shutouts over Everett and Malden, respectively. The Everett game precipitated a six game winning streak. Co-Capt. Rhue Reis' record-breaking scoring efforts began in this opener with the deciding goal on a rebound score. The finale, a game controlled by Malden in the first half, was highlighted by a game-winning Dave Pilleri score leading the Medford comeback.

Suprisingly, the Mustangs started their season with only two seasoned veterans, Co-Capts. Reis and Steve Vasquez. Inspired by their leadership and directed by Coach Francis Pelosi, the squad played consistently fine soccer all season: persistent defensive efforts by Ray DePinto, John Miglioizzi, Mike McCormack, and Carmen Solimini; outstanding goal-tending by Pete Brennan; and dependable offensive productions by Clyde Cross, Dave Pilleri, and Mark Convery. The main offensive thrust was, of course, provided by Co-Capt. Reis' record-shattering 27 goal tally. His loss because of injury was deeply felt by the Mustangs as they managed to beat East Boston before bowing to Billerica in the Eastern Mass. Tournament.

Sincere congratulations to the Mustang booters and coaching staff for their outstanding long-to-be-remembered championship season.

The M.H.S. swimmers of Coach Julie Doherty performed very creditably while winning 6 of its 10 meets this season. Outstanding individual performers included tri-captains Gail Blanchard with 9 out of 10 wins in the 100 yd. freestyle; Joan Carew with 7 out of 10 wins in the 200 yd. freestyle; Mary Judge with 5 out of 10 wins in the 500 yd. freestyle; and Jeanne Smithers with 4 out of 10 wins in the one meter diving. The team had great success with its outstanding relay teams in the 100 yd. freestyle with (Blanchard, Fogel, and Chris Cronin) and 400 yd. freestyle (Blanchard, Judge, Fogel, and Theresa Szymanski). Congratulations to the swimmers and their coach on a successful season.

The Mustangs opened auspiciously by scoring late in the game on a Dennis Works' pass to Scott McDougall and a conversion kick by Works to edge a strong Boston Latin club, 7 to 6. The victory was keyed by a strong defensive effort led by Co-Capt. Bob Murray's two interceptions. The elation of the opening win was supplanted by the despair of being shut out by next opponent Newton, 15 to 0.

A win over Chelsea, 9 to 6, highlighted by a 30 yard Works' field goal and a 10 yard John Flynn gallop, was followed by an offensive outburst against traditional foe Somerville, 21 to 12. Led by Billy Flynn's 57 and 60 yard touchdown runs among his total game output of 212 yards, the Mustangs were very impressive. But alas, inconsistent Mustang performances in the next three contests resulted in three successive losses: a heart-breaking, last minute loss to Haverhill and two rather decisive losses to G.B.L. powers Revere and Peabody.

Undaunted, the Mustangs regrouped and came back with two gritty wins. The first against Everett, 15 to 12, was especially satisfying as it marked the first Blue and White conquest of the Crimson in several seasons. In this most deserved win, the Mustangs came out for the second half trailing 12 to 0. Then the defensive team rose up, stopped the Everett offense, and with the offensive thrusts of Billy Flynn, Dennis Works, and Pete Scavongelli, putting 15 points on the board, the Mustangs were happy winners. The 14 to 7 win over Arlington insured a non-losing season and promoted optimistic thoughts as the Mustangs prepared to meet G.B.L. co-leader and arch rival Malden on Thanksgiving Day.

Thanksgiving 1974

In front of the usual capacity throng on a cold muddy day, the Mustangs fell to the host club. The scoring started on a 30 yard touchdown reception by Pete Scavongelli from Dennis Works, with the conversion by Works. Malden came back to take an 8 to 7 lead, a lead which it would never surrender. Malden had the opportunities to do much more damage, but the Mustang defense, playing inspiredly, kept the game close.

The second half saw Malden dominate the contest by scoring often and pretty much containing the Mustangs in very poor field position. A Phil Regan reception of a Works' pass, good for a 50 yard touchdown, was much too little, too late as the Malden Tornadoes prevailed over the Mustangs.

Led by the prolific scoring of Co-Capt. Ray Buckland, the Mustangs of Coach Don Tremblay, a relatively inexperienced but tremendously competitive group of scrappers, ran and shot their way into a second-place G.B.L. finish and once again qualified for a spot in state tournament competition.

After losing its opener to a strong Haverhill contingent, the Mustangs roared to six straight consecutive wins before losing to the eventual league champion, old nemesis Somerville. Only a let-down loss to Everett marred the team's second-half performance until meeting Somerville in the season-ending, heart-breaking two point loss.

Consistently reliable contributions for the team all year were: the rebounding and solid defensive work of Mike Cuniff, Tommy Carr, and Dana Cresta; the timely scoring of Co-Capt. Jack O'Brien and Carmen Solomini; the floor direction of Dave Semenza and Jerry Martin; and the balanced timely efforts of Eddie Washington and Jimmy Williams.

Game highlights of the season have to include the double wins over arch-rival Malden; the team scoring outbursts against Peabody and Revere; and the revenge win against Haverhill on the latter's home floor, 80-65, a win keyed by G.B.L. scoring leader Ray Buckland's 43 points.

Best of luck to Coach Tremblay and his hoopsters as they prepare for play in the upcoming state tournament.

Girls' Gymnastics

Congratulations to Coach Joyce Pinkston and her gymnasts who finished the season with 8 out of a possible 11 wins. In addition to this imposing seasonal record, the gymnastics team has taken on added laurels by qualifying no less than six of its members for participation in the upcoming state meet — six more than M.H.S. has ever qualified in its short history of girls' gymnastics.

Leading the Mustangs were: Donna O'Neill, outstanding in floor exercise, vaulting, and balance beam; Capt. Gail Blanchard, uneven bars; Josie Lemmi, floor exercise and uneven parallel bars; Lois Carew, floor exercise; Camille Arena and Denise Cullen, vaulting.

Best of luck in the States and best wishes for continued success in this most promising M.H.S. varsity athletic endeavor.

Despite relative inexperience and a definite lack of height, Coach Julie Doherty's squad performed admirably while capturing 13 of 16 decisions to capture a second place G.B.L. position behind undefeated Malden. This strong finish enabled the girl hoopsters to qualify for a second consecutive spot in State Tournament play.

Led consistently by the strong scoring of junior Diane Furey, the squad displayed tenacious defense, strong disciplined offense, and a perseverance that was very hard to overcome. A very closely knit club, this team earned everything it won and was an outstanding representative of M.H.S. athletics.

Congratulations to Coach Doherty, Co-Capt. Laura Tucci and Cheryl McPherson, and all the team members; best wishes for continued success in State Tournament participation.

Coach Bill Young's wrestlers, from a '74 seasonal total of only one win, managed to earn a split in its twelve 1975 matches, thus achieving the best finish of any previous M.H.S. wrestling team in the short history of the sport at our school. Leading the grapplers in their successful season were Co-Capt. Keith Smith (147), 8 wins, 2 losses, 1 draw; Paul Gentuso (140), 6 wins, 3 losses; and Lou Travaglione (Unlimited), 7 wins, 5 losses. In a season marked by injuries and inconsistent performances, the Mustangs managed to eke out a winning season although falling short of eligibility in state tournament participation. The team was led in scoring by the efforts of Co-Capt. Larry White and Mike Tringale as well as good offensive contributions by Pete Brennan, Gary Brennan, Bob Campbell, and Ray Dyer. Co-Capt. Ron Esposito in goal and the defensive efforts of Mark Hammond, Dave Crowley, and Bob Doherty bulwarked the defense.

An erratic first half season performance seemed to disappear as the team, on the brink of tournament disqualification, managed to tie Everett and then reeled off 5 successive victories. But, alas, the Arlington onslaught by a score of 10-1 ended tournament aspirations. The Mustangs, however, did not quit on themselves, as witness the two season-ending victories, and thus finished on the winning side of the season's ledger.

Unable to get untracked until over halfway through its season, the Mustang runners struggled until closing the season with 3 straight wins. Despite its disappointing season, the Mustangs received consistently fine performances from Fred Marotta in the one and two miles; Dave McCourt in the shot; Walt Washington in the high jump; Rich Rodgers in the 50; Darryl King in the 300; Steve Sweeney in the 600; and Mike Linane in the 1000. In fact, the first four named distinguished themselves in the Class A State Championships: Marotta, second in the 2 mile; Rodgers, fourth in the 50; McCourt, fifth in the shot; and Washington, fourth in the high jump.

A singular accomplishment is to be one of the fourteen girls who represent Medford High School as its cheerleaders. In the spring prior to their senior year they must practice three times a week. Their presence is required at all Mustang varsity contests. Weekly practices are mandatory. They have the responsibility of teaching the cheers and routines to the junior aspirants who will succeed them next year. Enjoyable, exciting, truly demanding — the senior year for a M.H.S. cheerleader.

Pom-Pom Girls

The Pom-Pom Girls are now seasoned performers on the sports scene at Medford High. Since their inception 8 years ago, they have added color and individuality to the football games at halftime with their original routines. To provide school spirit and enthusiasm, they also attend cross-country meets and hockey games. They were an inspirational force exhorting our teams on to victory.

National Honor Society

The National Honor Society is designed to acknowledge students who excel in the areas of academic study, leadership, character, and community service. This year's society of 58 members held a party at a drop-in-center for former mental hospital patients. We went on a hay-ride — it was great! The goal of the society this year was to work for the community as a group and to enjoy our social activities together.

The purpose of the M.H.S. Debating Team is to engage in Interscholastic Debating by presenting organized arguments for or against a given proposition. Our topics are timely. For example, we have already engaged in two Bi-centennial debates against Lexington and have been victorious in both.

We believe that debating should grow because of the numerous attributes it gives to the debator, the school, the community, and the nation. It enhances and develops leadership, mature judgment, honesty, courage, and determination. This, we believe, is reason enough.

The members of the 1975 Blue and White staff can testify to the long, long periods of time and effort that have gone into the task of presenting your yearbook. Starting in the spring of 1974 and extending right up to the present, the staff has worked to make its end product that which we hope the class will enjoy and appreciate. Highlights of this year's book include the pictorial cover, the color-collage endsheets, and the full color pictorial theme. We have also attempted to make the senior section a more individualized and relative presentation. We hope our efforts were not in vain.

The Pre-Med Club's primary purpose is to provide an atmosphere for learning about medical and biological happenings and points of interest. Many of the 65 members plan to go on with health careers.

Activities have included guest speakers Mr. Miller, expert on alcoholism, and Dr. Traina, who discussed cancer. There was also a field trip to the N.E. Memorial Hospital with an informative tour of the facility. The club, concerned about the state of world health, held a drive to raise money for the starving in Bangladesh. To highlight a year of laboratory and movie observations, there is tentatively scheduled an observation of an actual operation.

Biology Seminar

This year's activities of the Biology Seminar include: trips to the Cancer Research Lab, Tufts Medical School, the M.I.T. Biology labs, and the Mount Manadnock Ecology Climb. Among their studies were: Eastern Coyote, Termites lab, The Green Revolution, Body Language, Body Time, Acupuncture, U.F.O.'s, and Genetic Engineering.

Recent trends in science education have recognized the impossibility of effectively teaching all the topics normally associated with a one year introductory physics course. Thus, the scope of the traditional course has been reduced so that those remaining topics can be treated in depth.

While this is a realistic approach, several highly interesting areas of physics are not included in the regular course. The Physics seminar tries to remedy this with regular weekly lecture demonstrations, field trips to such places as "The M.I.T. Linear Accelerator," and participation in the clubs' exhibit section of the M.H.S. Science Fair.

The Library Staff is made up of volunteer students who are doing office practice. Their duties are varied: checking in library passes, shelving books, keeping the library and workroom in order, filing catalog cards, preparing new books for circulation, recording and checking out new periodicals, staffing the library desk, and helping other students find the information they need. The library assistants are industrious and conscientious, and deserve much credit for their invaluable services.
